

LARRY DELAWDER MINISTRIES

Change is in the air....It's Spring!

1 Cor 1:9 "God is faithful, through whom you were called into fellowship with His Son, Jesus Christ our Lord."

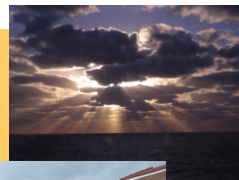

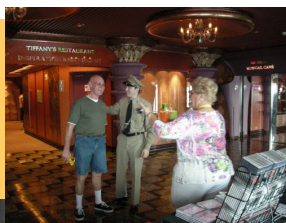

The word change has many connotations. Some hear it and cringe, others get excited. Either way, it is the one thing you can count on! Last year we knew we were beginning a "new adventure", just unsure of what that meant. The economy has affected everyone in some way. We have heard from churches and promoters how they are "cutting back" because of finances and the shortage of people able to

support events and concerts. Other groups and ministries have suffered as well. We started to question if the transition the Lord had been talking to us about meant we may come off the road at least temporarily. Making a long story short, we battled with that decision for awhile and the Lord spoke LOUD AND CLEAR—we are to STAY on the road. As long as there are people out there that need to hear the message of salvation and His Love, we have a job to do. He has called our family to spread His Word by traveling and ministering across this country. We are so grateful for your prayers and support, knowing the seeds you continue to sow will reap a GREAT harvest! The largest part of the change for us has been and is IN us. We know our faith has been increased and He is going to

provide for everything He asks us to do. We have had to look at the impossible and KNOW that His Word is true— He IS faithful. We share this as a testimony that continues, but also as a challenge. No matter what you are facing, He is there to walk with you through it. He never said following His path would be easy. Our gift to each other is to love one another through these times and continually lift them up in prayer. We know prayer has made a difference for us. It can for you, or someone you know, as well! I heard someone quote Corrie Ten Boom the other day — "Stop putting the Lord (or prayer) as your spare tire, make Him your steering wheel"! Are you allowing the Lord to guide your steps, even if you don't know where He is taking you?

A New Project You Can Help With:

Larry is going to be starting work on a new harmonica c.d. We always have people that ask if he plays some of their favorite songs. If there is a song that you would like to see Larry put on his new c.d., please let us know. We cannot guarantee that he will be able to, but we will take a look at everyone's suggestions for consideration. There is a complete list of songs per project on our website and you can see what he already has recorded there. If you would also like to suggest a title, please do so. The current titles are "Music in my Soul", "Harmonica Melody", a self-titled project, and the latest, "The Old Made New". You can email, call, or mail your suggestions to us! Thanks so much for your help!

We cannot do what we do without your help and support which we are so very grateful for! We have some immediate dates we need to fill, help us by spreading the word! Any promotional information can be found on our website.

Please NOTE:

***So sorry that we do not have the birthdays or anniversaries to list in this newsletter – will try to get them out. Our ministry computer that contains the entire database with all of our contacts and information, crashed. We were

able to save the information, but until we can reinstall the software, cannot access it. Thanks for your patience and understanding. Please also pray we are able to get this going quickly!

***Be looking later this year for Sara's new cookbook, a collection of her favorites she has gathered

across the country and also family recipes! They will be \$15 each and if you would like one, please let us know. We are trying to get an estimated number for the first order.

Help spread the word by sharing this newsletter with all of your friends and family! & Be looking for it on our website as well!
