2011 is almost over, but only in time. Our memories of what this year held will remain with us.

Since our girls are young, we are making every effort to create those "unforgettable" memories they will in turn share with their families. This is by far our favorite time of the year! We love to sit and reflect on all that has happened and share with each other the best things about "our" year. We also take time to reflect on the trials we went through, because in that, we can see how the Lord brought us through and how much bet-

ter we are for it. This year has been somewhat challenging for our family and ministry. Yet, we can reflect on circumstances and know He has been with us the entire way. We have

Lord who orchestrated the entire thing.

Take time during your festivities and celebrations to share with one another your memories of this year and all that you have been through. Encourage one another in your testimonies of how the Lord "made a way where

Blessings & Merry Christmas from our family to yours!!

We are currently working on our calendar for the 2012/2013 years. We ask that you please pass on our information to anyone you think might be interested in a concert/service/event. Send a link to our website—it contains everything for their consideration. On the home page there is a promotional video which features singing, harmonica, and of course Barney Fife. Also on the site, under the resources tab, are bios, pictures, and recommendation letters, etc.

As you're finalizing details for all of your holiday events this year, consider making plans to include Larry

and our family for next year! Larry is working on a new Christmas CD that will be out next year, and he will be sure to add laughter and joy to your holiday events!
